- 5.1.2 (Delivery) dates shall therefore not be considered to be absolute (delivery) dates within which must be delivered, but a time period within which Cyso shall strive with best efforts to deliver the agreed upon items. If it is not possible to keep to the (delivery) date, then Cyso and Customer will consult with each other to agree on a substitute (delivery) date.
- 5.1.3 Exceeding a given (delivery) date which may be applicable never constitutes an attributable shortcoming by Cyso. Cyso does not accept liability under any circumstances in cases where the (delivery) date may be exceeded.

5.2 RESERVATIONS

- 5.2.1 Cyso shall commence execution of the agreement between Cyso and Customer only after a signed copy of the agreement drawn up by Cyso has been received by Cyso and/or having received timely payment of all amounts due in full. Should Cyso commence execution of the agreement prior to receiving a signed copy of the agreement and/or having received timely

payment of all amounts due in full, Cyso reserves the right to suspend execution of the agreement pending receipt of a signed copy of the agreement and/or full payment of all amounts due.

- 5.2.2 Customer's rights, such as but not limited to the transfer of Products and Services, are provided under the suspended condition that Customer timely pays the agreed compensations in full. All other remedies in law remain applicable.
- 5.2.3 If Customer fabricates a new product, on the basis of the Products delivered by Cyso, this will be done on behalf of Cyso and Customer will keep the new product for Cyso until all amounts due on the basis of the agreement have been paid on time and in full. Cyso will maintain all the rights as owner of the new product until the moment payments have been made on time and in full.
- 5.2.4 Upon the first request of Cyso, Customer shall provide, and where necessary register, a nonpossessory pledge on all goods delivered by Cyso to Customer and/or Customer's goods that are necessary for the delivery of the Cyso Products and Services to Customer as security for all existing and future claims from Cyso, for whatever reason. This nonpossessory pledge is retained and placed by Cyso on Customer's server(s) which are placed in the Data Center as part of the Colocation Hosting.

5.3 SUSPENSION

- 5.3.1 Cyso reserves the right if Customer fails to perform any obligation in the General Conditions Cyso and/or the agreement and such failure justifies a suspension to temporarily make Products and Services, partially or completely, unavailable and/or to seriously limit the use thereof. Payment obligations will remain in effect during the suspension period.
- 5.3.2 If Customer, within a term as indicated by Cyso, fulfills its obligations and makes payment of the amount fixed for reconnection and/or availability, the connection and/or availability of the Hosting will be restored.

5.4 RISK

- 5.4.1 From the moment of delivery Customer will bear the risk of the Product delivered, even if possible ownership and user rights have not yet been transferred. Customer will therefore be held accountable for full payment of the Product delivered regardless of the destruction of or the decline in value of the Product delivered due to circumstances for which Cyso cannot be held accountable.
- 5.4.2 The aforementioned will also be applicable from the moment in which Customer fails to assist Cyso in making a delivery.

5.5 DELIVER, INSTALLATION AND ACCEPTANCE PROCEDURE

The manner in which transport takes place is determined by Cyso and insurance of the Products and Services by Cyso will not take place unless agreed upon otherwise in writing.
- 5.5.3 The delivery of services by or through Cyso takes place at the place and time that the services are performed.

- 5.5.4 Only if installation is carried out by Cyso is an acceptance period immediately following completion of the installation applicable. The acceptance period for Customer runs for 14 (fourteen) days following completion of the installation. During the acceptance period, Customer is not permitted to use the Products and Services for production and/or operational purposes.
- 5.5.5 The Products and Services shall be considered by both parties as accepted:
- a) upon delivery if there is no acceptance period applicable, or
 - b) if an acceptance period is applicable, on the first day following the acceptance period, or
 - c) when Cyso, before the end of the acceptance period, receives a Test Report (clause 5.6): at the moment that the Errors (clause 5.7) identified in that Test Report have been repaired, notwithstanding the presence of small Errors which according to clause 5.7.4 do not hinder acceptance.
- 5.5.6 If the Products and Services are delivered and tested in phases and/or parts, the non-acceptance of a particular phase and/or part will not delay the acceptance of an earlier phase and/or another part.
- 5.5.7 Contrary to the preceding, the Products and Services shall be considered as accepted if Customer uses the Products and Services in any manner for productive or operational purposes before the moment of acceptance. The Products and Services shall be considered as accepted from the beginning of any such use.

5.6 TEST REPORT

- 5.6.1 If it becomes apparent during the acceptance period that the Products and Services contain Errors, as described in clause 5.7, which hinder the progress of the acceptance test, Customer shall inform Cyso no later than the last day of the acceptance period of the Errors in a written and as detailed as possible Test Report. In which case the still remaining acceptance period will be interrupted until such time as the Product is so modified that the Errors are repaired.

5.7 ERRORS

- 5.7.1 Error(s) means the failure to fulfill the functional specifications set down in writing by Cyso and, in cases of developing custom work Cyso Products and Services, the functional specifications expressly agreed upon in writing. An Error only exists where such can be demonstrated and reproduced. Customer is required to immediately report possible Errors to Cyso.
- 5.7.2 Every right to repair of Errors lapses if the Products and Services provided by Cyso are altered in any way or form.
- 5.7.3 The repair of Errors shall take place at the location to be determined by Cyso. Cyso is entitled to install temporary solutions, emergency solutions, detours and/or other problem-avoiding measures in the Products and Services.
- 5.7.4 Acceptance of the Products and Services may not be withheld on grounds other than those which are related to specifications which have been expressly agreed upon between the parties nor, furthermore, due to the presence of small Errors which do not reasonably impede putting the Products and Services into productive or operational use.

5.8 REPLACEMENT PERFORMANCE

- 5.8.1 Cyso is permitted to deliver alternative Products and Services than those Products and Services ordered by Customer if the performance and operation of such alternative Products and Services is essentially no different from the Products and Services ordered.
- 5.8.2 If the agreement is concluded with the objective of having activities carried out by a particular individual, Cyso will be entitled to replace this person with another person with the same qualifications.

5.9 WARRANTY

- 5.9.1 Maintenance on Hosting and/or Maintenance on the Application Service or Hosting does not cover the reconstruction and/or repair of mutilated and/or lost data and/or information. Cyso does not warrant that the Products and Services shall function without interruption or without Errors, are suitable for every intended use of Customer and/or will lead to results desired by Customer. The warranty obligation is void if Customer alters the Products and Services, or has them altered, without the written permission of Cyso.
- 5.9.2 The warranty provided on Third Party Products and Services is limited to the Third Party General Conditions as maintained by the supplier of Third Party Products and Services as described in clause 4.
- 5.9.3 Cyso is entitled to invoice its usual prices and the costs for repair, modification, or replacement of the Products and Services if the Error may be said to be caused by mistakes made by Customer as a result of improper and non-careful use by Customer, the result of other causes that may not be attributed to Cyso or if Customer could have reasonably detected the Error during the acceptance period.

6. PRICES/PAYMENT

6.1 PRICES AND PAYMENT

- 6.1.1 All prices exclude VAT and other levies imposed by the government. The amounts invoiced to Customer will include applicable VAT and other levies possibly imposed by the government.
- 6.1.2 Cyso will invoice the amount owed by Customer monthly and or according to another term agreed upon, by provision of an invoice which is appropriately itemized. Dependent on the type of contract, Customer will pay all amounts via automatic collection or other manner within 14 (fourteen) or 30 (thirty) days of the invoice date. These payments will not be subject to suspension, compensation or deduction. The moment of receipt of the owed amount by Cyso shall be considered as the moment of payment. Complaints about the invoice must be brought to Cyso in writing and with proper arguments. Disputing of a part of the invoice, whether well-founded or not, leaves unhindered the obligation to pay the undisputed part in accordance with this clause.
- 6.1.3 Should Customer fail to fulfill any payment obligation, Customer is in breach without any further notification of breach being required. Cyso reserves the right to charge all incurred costs to Customer, (including costs due to legal assistance provided by a lawyer of other authorized person) including judicial and extra-judicial expenses, with regard to the collection of debts from Customer. Extra-judicial collection costs amount to 15% of the debt, with a minimum of € 500 (five hundred euros). In any case Customer will be charged interest on a monthly basis, at the legal percentage rate increased with 3%, on all outstanding debts starting from the date of failure to pay.

- 6.1.4 Until full payment has been made, Cyso has the right to suspend all services and obligations to Customer. Customer's obligation to meet Customer's commitments remains unchanged.
- 6.1.5 If Cyso is unable to make a delivery in time due to Customer, Cyso will have the right to charge a 1,5% interest reimbursement on a monthly basis over the indebted amount.
- 6.1.6 Compensation for Maintenance, Support and any other annual or periodic amounts are due as an Advance at the moment of realization of the agreement between the parties and shall be billed to Customer, appropriately itemized, prior to each year or other period that the agreement between parties continues.
- 6.1.7 The indebted amount meant in clause 6.1.2 may be increased with order costs, postage costs and costs of third parties. An increase can also take place in the event that activities have to take place outside of Cyso's office. In the event that activities need to take place outside of Cyso's office, hourly rates, travel and waiting time compensations, actual travel and/or kilometer compensation, hotel expenses and any other costs connected to such services will be charged. The travel and waiting time compensation amounts to 50% of the current hourly rate. The means of transportation will be determined by Cyso. The foregoing is also applicable on services provided outside of The Netherlands.
- 6.1.8 Above mentioned paragraphs leave all the legal rights of Cyso unhindered, when Customer fails to meet Customer's commitments.

6.2 PRICE CHANGES

- 6.2.1 The Prices agreed upon by Cyso and Customer are among other things based on the costs of energy and salaries, social premiums, materials and travel and accommodation costs, etc., as well as the rate of exchange between the currencies as applicable at the time of entering into the agreement. Cyso is authorized, in case of changes to one or more of the cost items (for instance Third Party Products and Services) and/or changes in the rate of exchange, changes to the Consumer Price Indices (Consumentenprijsindices (CPI)) or the CBS index for business services (CBS Prijsindex 6202 Computeradvisering), to adjust prices to these changes.
- 6.2.2 Cyso always has the right to change the amount of the agreed upon prices and associated costs, such as but not limited to, price changes of Third Party Products and price increases as a result of changed and new laws and other legislation. A price increase shall be valid 30 days after Customer is notified of such.
- 6.2.3 Cyso will offer Customer the possibility to become acquainted with possible changes in prices. If Customer does not agree with a price change, Customer will only be permitted to terminate the agreement from the date the change in price becomes applicable, if the total price increase during 1 (one) year exceeds the yearly inflation rate of the current year (or previous year for price increases announced for the next year) as published by the CBS (Dutch Bureau for Statistics) by 5%.

6.3 FIXED PRICE

- 6.3.1 In the case of a Fixed Price agreement, activities will be performed on the basis of a prior agreed upon price.
- 6.3.2 Unless Cyso can appeal to clause 1.6.4, extra hours will not be charged.

6.4 SUBSEQUENT CALCULATION

- 6.4.1 When charges are to be based on Subsequent Calculation, this means that prior to Cyso commencing the agreed upon activities a global estimate can be made of the expected costs. On conclusion of the activities carried out, all costs actually incurred related to the

activities will be calculated and charged based on the actual amount of time spent. Customer is, then, aware that there is a possibility that the estimate made earlier could be lower than the costs actually incurred. If no agreements have been made regarding billing, activities will be performed on the basis of Subsequent Calculation.

6.5 ADVANCE

- 6.5.1 Cyso has the right to charge payments in Advance. If full payment of the Advance is not made, Cyso has the right, undiminished its other rights that may flow forth from the agreement, to suspend all its obligations and all amounts owed by Customer will be immediately due.

7. INTELLECTUAL PROPERTY RIGHTS

7.1 RIGHTS OF CYSO AND CUSTOMER

- 7.1.1 Cyso has the exclusive right to further develop the Cyso Products and Services and place them at the disposal of third parties by means of licenses.
